

Rim cleaner premium RM 667

With maximum cleaning power and quick-action formula. Helps remove all kinds of dirt picked up by all common rim types while on the road. The intelligent colour change indicates how the cleaning agent is taking effect over time.

Properties

- Premium cleaner for all types of steel and light metal rims
- Removes brake dust, tyre wear, winter salt deposits, snow and slush deposits.
- Acid-free and gentle
- Automatically effective
- Reaches even the smallest corners and tightest angles
- Short contact time
- With performance indicator. The reddish colour change indicates how the cleaning agent is taking effect over time
- Ready-to-use detergent (RTU)
- Tensides biodegradable in accordance with OECD

Application areas

- Wheel rim cleaning

Suitable for

- Manual

Container sizes	VE*	Part number
500 ml	8	6.296-048.0

*VE: packaging unit

Application:

Manual

- Spray the dry, cold rim from a short distance and leave to work for one to three minutes, depending on the degree of dirt. A reddish colour change shows that the cleaner is active. Rinse thoroughly afterwards (e.g. with high-pressure) or drive the vehicle through a wash system.

Instructions for use:

- Use on dry, cold rims
- For special rims, see manufacturer's instructions.
- Do not let the cleaning solution dry out.
- Keep out of the reach of children

Warnings and safety recommendations according to EC Directives:

- Warning
- H302 Harmful if swallowed
- H317 May cause an allergic skin reaction
- P101 If medical advice is needed, have product container or label at hand.
- P102 Keep out of reach of children.
- P103 Read label before use.
- P261 Avoid breathing dust/fume/gas/mist/vapours/spray.
- P280g Wear protective gloves.
