

Polish & wax RM 660

Intensive cleaning and washing- and weather-resistant preservation in a single step. Fine scratches and streaks are removed, and the original colour brilliance is restored.

Properties

- 2-in-1: paint treatment and protection in one step
- Fine scratches (e.g. from vehicle wash brushes) are removed
- Special maintenance components protect the paint, accelerate drying and provide for brilliant results
- Refreshes the colour and provides a high colour brilliance without any annoying holograms
- special substances support long-lasting preservation of the vehicle surface
- Beading effect works against water and dirt particles
- Pleasant, fresh citrus fragrance
- Ready-to-use detergent (RTU)
- Polishing agents without microplastics
- Made in Germany

Application areas

- Vehicle paintwork
- Paint surfaces

Suitable for

- Manual

Container sizes	VE*	Part number
500 ml	8	6.296-108.0

*VE: packaging unit

Application:

Manual

- Shake wax polish thoroughly and use a soft cloth or sponge to apply the wax polish on the washed paint surfaces using gentle pressure in circular movements, work in sections. Slightly more vigorous polishing is required in matt areas or for subtle scratches. After a brief drying period (approx. 1 minute), wipe away polish residue with a soft microfibre cloth without exerting any force and gently repolish. Do not use on hot paintwork.

Instructions for use:

- Clean vehicle well before application and allow to dry.
- Do not apply to heated surfaces.
- Not suitable on matt paint.
- Keep out of the reach of children

Warnings and safety recommendations according to EC Directives:

- Contains 2-methyl-2H-isothiazol-3-one, 1-(1,2,3,4,5,6,7,8-octahydro-2,3,8,8-tetramethyl-2-naphthyl)ethan-1-one
- Warning
- H317 May cause an allergic skin reaction
- P101 If medical advice is needed, have product container or label at hand.
- P102 Keep out of reach of children.
- P280g Wear protective gloves.
- P302 + P352 IF ON SKIN: Wash with plenty of soap and water.
- P333 + P313 If skin irritation or rash occurs: Get medical advice/attention.
- P501a Dispose of contents/container in accordance with local/regional/national/international regulations.
